

SDG-3

Good Health and Well-Being

Director's Message

As the Director of KASBIT, I am honored to lead one of Pakistan's premier institutions of higher education, committed to fostering academic excellence, research, and entrepreneurship. At KASBIT, our vision aligns closely with the United Nations Sustainable Development Goals (SDGs), and we take these global priorities seriously, incorporating them across our programs, research, and institutional objectives to help build a more sustainable and equitable future.

Our commitment to the SDGs is reflected in our recent achievements in the Times Higher Education Impact Rankings 2024, where KASBIT ranked among the top Pakistani institutions across key goals. Notably, we were ranked 33rd for SDG 1 (No Poverty), demonstrating our dedication to reducing

economic disparities through accessible education and support programs. Our efforts to enhance the quality of education were recognized with a 52nd place for SDG 4 (Quality Education), affirming our role in offering rigorous, impactful academic programs. We proudly achieved 54th for SDG 5 (Gender Equality), highlighting our commitment to fostering an inclusive environment where equal opportunities are available to all students. For SDG 8 (Decent Work and Economic Growth), we stood at 11th place, underscoring our focus on preparing graduates who are ready to contribute meaningfully to a dynamic workforce.

Our approach to education is holistic, integrating co-curricular and extracurricular activities to develop well-rounded graduates ready to contribute to Sustainable Cities and Communities (SDG 11) and Responsible Consumption and Production (SDG 12) by promoting ethical, forward-thinking values. Our dedication to sustainability extends to supporting research and initiatives aligned with Climate Action (SDG 13) and Industry, Innovation, and Infrastructure (SDG 9). We encourage our students and faculty to engage in projects that prioritize environmental stewardship and technological advancement, empowering them to make a difference locally and globally. KASBIT is dedicated to providing our students with a transformative learning experience and a pathway to a prosperous future. We take pride in shaping future leaders who are not only skilled professionals but also conscientious global citizens prepared to make lasting contributions toward the SDGs. As we continue to grow, our commitment remains strong: to produce graduates who are equipped to lead in their fields and to drive sustainable progress for Pakistan and beyond.

Prof. Dr. Kashif Mehmood
Director KASBIT

Introduction

As a responsible and forward-thinking institution, KASBIT is committed to promoting the health and well-being of its students, faculty, and staff. In alignment with the United Nations' Sustainable Development Goal 3 -SDG 3: Good Health and Well-being, our Institute has launched several initiatives to create a supportive and inclusive environment that encourages healthy lifestyles and provides access to quality healthcare services.

Recognizing the importance of mental health, KASBIT offers free counselling services, stress management workshops, and mindfulness programs. These initiatives aim to reduce stigma around mental health issues and provide students and staff with the tools and resources needed to maintain good mental health. To promote physical well-being, our Institute have sports teams, and recreational programs. Additionally, our campus cafeterias provide healthy and nutritious meal options, catering to diverse dietary needs.

Through workshops, seminars, and awareness campaigns, our university educates students about healthy habits, disease prevention, and management. We also collaborate with local healthcare organizations to provide students with access to medical services and health resources. Our Institute is committed to creating an inclusive environment that supports students with disabilities. We provide accessible facilities and services to ensure equal opportunities for all students.

By prioritizing the health and well-being of our community, we aim to create a positive and supportive environment that fosters academic success, personal growth, and overall well-being. As we strive to achieve SDG 3, we recognize that good health and well-being are essential for individual and societal prosperity.

KASBIT is dedicated to promoting a culture of wellness and providing a supportive environment that encourages healthy lifestyles. By working together, we can achieve SDG 3 and create a healthier, happier, and more productive community.

Health Checkup and Blood Drive by Burhani's Blood Bank

KASBIT Hyderi premises hosted the Burhani Blood Drive on Thursday, 31st August 2023. Students enthusiastically volunteered to donate blood, extending their support to those in need. In collaboration with Burhani Blood Bank, students and employees received the opportunity to get their Medical Checkups and any health issues that they need to discuss with the health care professionals and their blood test for 5 crucial results, completely free of

cost, which is a way to foster good health culture in Additionally, a personalized medical card was provided, ensuring convenient access to future blood tests at their facility. Certificates of appreciation were presented by the Burhani Blood Bank, recognizing their immense support and commitment. This activity was solely done to improve the good health and wellbeing of students and staff of KASBIT in alignment with SDG- 3 of United Nation Sustainable Development Goals Good Health and Wellbeing.

Counselling Session for Students

KASBIT provide a safe and confidential space for university students to discuss their mental health concerns and receive support and guidance. Students face numerous challenges that can impact your mental health. From academic pressure and social expectations to personal relationships and future uncertainty, it's easy to feel overwhelmed. However, you don't have to face these challenges alone. Our counselling session is designed to provide a supportive and non-judgmental space for you to discuss your mental health concerns. Our trained Students Counsellors will listen attentively to your concerns and provide guidance and support to help manage their mental health.

KASBIT hosted a Counselling Session on Monday, 28 August 2023. Renowned professionals from the industry, Mr. Nabeel Khuwaja, and Ms. Saima Adeel shared their expertise in Counselling.

Health Camp for Employees and Students

KASBIT is committed to providing a healthy and safe environment for all faculty and students. The Medical and Health Screening Program aims to promote early detection and prevention of health problems, improve health outcomes, and enhance the overall well-being of our employees and students.

For this purpose and in alignment with United Nations Sustainable Development Goals 2030

Nutri Factor Pakistan conducted a medical and well being Health Camp at KASBIT for students and employees and provide A comprehensive questionnaire to identify potential health risks and medical conditions, measurement of blood pressure, pulse rate, temperature, and respiratory rate assessment of weight status and associated health risks, assessment for depression, anxiety, and other mental health concerns.

Sufi Night

KASBIT organised a Sufi Night for Qawwali for all the Students, Employees and Alumni. Qawwali, a traditional form of Sufi devotional music from South Asia, has been an integral part of cultural heritage for centuries which has numerous benefits for both physical and mental health. Here are some effects of Qawwali on good health and well-being. It helps to reduce stress and anxiety by soothing melodies and repetitive rhythms have been shown to decrease cortisol levels, heart rate, and blood pressure and can increase antibody production, helping to fight off infections. Qawwali's spiritual and philosophical themes can help listeners connect with their emotions, fostering emotional intelligence and well-being, enhances cognitive function and has been used as a therapeutic tool to help individuals cope with mental health conditions.

Qawwali performances often bring people together, promoting social bonding and a sense of community.

Indus Eid Bazar

Indus Eid Bazar has been established for the Paediatrics ward patients at Indus Hospital. KASBIT has

been associated with Indus Hospital since long and have been associated with them for the well being of our students and their patients. We have been a part of various events at Indus Hospital regarding social welfare. During Holy Month of Ramazan before the festival our students participated in the cause by providing around two thousand goody bags. Our students would also join as volunteers in the bazar. And they will keep on distributing the goody bags among the children.

Safety Rules: Know Your Limits

KASBIT have been organizing various events to improve the safety and physical well being of our students and community in total. On 26th October, 2023, KASBIT hosted a session titled "Safety Rules: Know Your Limits." The session graced by Mr. Ali Sohaag, In charge of SPAARC at Sindh Police, captivated the audience with an engaging and interactive discussion. He shared valuable life experiences,

highlighting the importance of learning from them. He said, “Remember, safety starts from you. By taking responsibility for your actions and making conscious choices, you have the power to create a safer environment for yourself and others on the road and improve Well being of each other”.

Gift Packs Distribution National Institute of Child Health (NICH)

KASBIT has been associated with National Institute of Child Health for Student Volunteer Program and have conducted an event where Eid gift packs were distributed among children under-treatment at the National Institute of Child Health (NICH) on 18th April as part of KASBIT CSR activity for the Spring Semester 2023. This activity is a part of activities that KASBIT has been doing to improve the well being part of the Children patients at National Institute of child health.

KASBIT Inter-University Sports Competition

To improve the well being and physical health of our students and in alignment with UN SDG - 3 Physical health and well being, KASBIT has numerous sports team that have been participating in various sports events throughout the country. Witness the epic showdown as

our dynamic team of KASBIT unleashed their inner athletes at the Inter-University Sports Competition on 23rd August 2023 on the grounds of Pakistan Marine Academy. Tug of War, Table Tennis, Badminton, and Cricket were the battlegrounds, where our team qualified for the Quarter Finals in Cricket, clashing with the Navy team, made it to the second round in Badminton, leaving competitors in awe, and went all the way to the Semi-Finals in Table Tennis, battling it out with the PMA team.

KASBIT Student Market Survey of Hospital Facility

At KASBIT we work for the betterment of society and physical and mental well being of people in community through Research and, awareness programs and events in alignment with SDG 3 Physical Health and Well Being of United Nations Sustainable Development Goals 2030. An

outstanding achievement of our students from KASBIT, who took part in conducting a comprehensive market survey of hospitals in Karachi under the mentorship of Mr. Rehan Shakoor and Mr. Ali Raza.

To recognize their efforts, our students were awarded with Certificates of Appreciation in the award ceremony held at the UDL Head Office. Mr. Dr. Dilbar A. Saeed, Head of Business Development at UDL Distribution (Pvt) Limited, graced the ceremony by handing over certificates.

Orphans of Karachi by Distributing Eid Gifts

Spreading smiles, sharing love and improving the well being of community, KASBIT brought joy to the orphans of Karachi by distributing Eid gifts, goody bags, and clothes at an iftar and Easter dinner hosted by His Excellency Bakheet Ateeq Al Remeithi, the Consul General of United Arab Emirates. The event was graced by the presence of Rector KASBIT, Prof Dr. Kashif Mehmood and the honourable Consul General himself. It was heartwarming to see students, staff, and faculty members of KASBIT come together to make this event a success.
