

SDG-4

Quality Education

Director's Message

As the Director of KASBIT, I am honored to lead one of Pakistan's premier institutions of higher education, committed to fostering academic excellence, research, and entrepreneurship. At KASBIT, our vision aligns closely with the United Nations Sustainable Development Goals (SDGs), and we take these global priorities seriously, incorporating them across our programs, research, and institutional objectives to help build a more sustainable and equitable future.

Our commitment to the SDGs is reflected in our recent achievements in the Times Higher Education Impact Rankings 2024, where KASBIT ranked among the top Pakistani institutions across key goals. Notably, we were ranked 33rd for SDG 1 (No Poverty), demonstrating our dedication to reducing economic

disparities through accessible education and support programs. Our efforts to enhance the quality of education were recognized with a 52nd place for SDG 4 (Quality Education), affirming our role in offering rigorous, impactful academic programs. We proudly achieved 54th for SDG 5 (Gender Equality), highlighting our commitment to fostering an inclusive environment where equal opportunities are available to all students. For SDG 8 (Decent Work and Economic Growth), we stood at 11th place, underscoring our focus on preparing graduates who are ready to contribute meaningfully to a dynamic workforce.

Our approach to education is holistic, integrating co-curricular and extracurricular activities to develop well-rounded graduates ready to contribute to Sustainable Cities and Communities (SDG 11) and Responsible Consumption and Production (SDG 12) by promoting ethical, forward-thinking values. Our dedication to sustainability extends to supporting research and initiatives aligned with Climate Action (SDG 13) and Industry, Innovation, and Infrastructure (SDG 9). We encourage our students and faculty to engage in projects that prioritize environmental stewardship and technological advancement, empowering them to make a difference locally and globally. KASBIT is dedicated to providing our students with a transformative learning experience and a pathway to a prosperous future. We take pride in shaping future leaders who are not only skilled professionals but also conscientious global citizens prepared to make lasting contributions toward the SDGs. As we continue to grow, our commitment remains strong: to produce graduates who are equipped to lead in their fields and to drive sustainable progress for Pakistan and beyond.

Prof. Dr. Kashif Mehmood
Director KASBIT

Introduction

The United Nations Sustainable Development Goals (SDGs) form a global, comprehensive framework that promotes development by addressing the needs of all life on Earth. Among the 17 goals of the 2030 Development Agenda, SDG 4 Quality Education emphasizes the importance of inclusive and equitable education and lifelong learning opportunities for all, recognizing education as a cornerstone of sustainable development.

Universities, as centers of knowledge creation and dissemination, hold a pivotal role in advancing SDG 4. With their outreach, accessibility to youth, and socio-economic impact, universities are uniquely positioned to foster educational excellence and promote social progress. By driving educational initiatives, fostering innovation, and collaborating with civil society, universities can contribute directly to the achievement of SDG 4, equipping students with the skills and knowledge necessary to navigate and address global challenges.

KASBIT fosters a culture of quality education that not only prepares students for professional success but also encourages them to contribute to sustainable societal development.

Academic Programs

KASBIT is dedicated to providing high-quality, technology-driven education, in alignment with Sustainable Development Goal 4 on quality education. Our academic programs offer a diverse range of degree options, catering to diverse interests and career paths. The Bachelor of Business Administration (BBA) program builds a strong foundation in core business principles and practices, while the Bachelor of Science in Computer Science (BSCS) program prepares students to thrive in the rapidly advancing technology sector. For professionals aiming to enhance their leadership and management skills, our Master of Business Administration (MBA) program offers a comprehensive, industry-aligned curriculum. Furthermore, the Master of Science in Management Science (MS) program enables students to specialize in critical areas such as operations, analytics, and decision-making. For those pursuing advanced expertise, the Doctor of Philosophy (PhD) in Management Science emphasizes innovative research, equipping graduates to contribute significantly to academic and industry advancements.

Faculty Trainings and Development

KASBIT is committed to advancing faculty development to enhance skills and broaden perspectives, aligning with Sustainable Development Goal 4 on quality education. Through in-house and external training initiatives, KASBIT ensures that faculty members in Business Administration and Computer Science are well-equipped with the latest knowledge, trends, and skills essential for modern education. Faculty development programs enable educators to refine their teaching methods, update curricula to reflect industry advancements, and expand their research capabilities. These training opportunities allow faculty to connect with industry experts, attend conferences, engage in workshops, and participate in collaborative research, fostering an enriched learning environment. By investing in continuous faculty development, KASBIT strengthens its commitment to providing students with a top-tier, relevant education, preparing future leaders to meet the dynamic demands of the business and technology sectors.

Guest Speaker Sessions

KASBIT is committed to delivering high-quality education that fosters both personal and professional growth for students. Aligned with the United Nations Sustainable Development Goal 4 for quality education, KASBIT organizes over 600 guest speaker sessions, inviting industry experts to share valuable insights and real-life experiences. These sessions bridge the gap between classroom learning and practical application, equipping students with essential skills for their careers. By exposing students to diverse perspectives and success stories, KASBIT enhances their readiness for the dynamic demands of the professional world. Some highlights of Guest Speaker Sessions

Guest Speaker Session on Importance of Environment in Ensuring Business Sustainability

Our Environmental Sciences students attended an insightful session on 9th June' 2023 by Mr. Ibrahim Habib, Head of Continual Improvement & Compliance, from Thal Engineering who shed light on the importance of environment in ensuring business sustainability. The session provided our students with a

unique cultural & industrial experience while illustrating how his company is successfully navigating environmental challenges. We are grateful to Mr. Habib for sharing his knowledge and experience with our students. The session aligned with United Nations Goal, SDG 4 Quality Education.

Guest Speaker Session on "Relevance of Organizational Sustainability in Technological Evolution in Consumer."

On 22nd November, KASBIT organized a guest speaker session featuring Mr. Ghazanfar Farooq, National Sales Manager at [Beiersdorf](https://www.beiersdorf.com), who delivered an insightful talk on the topic "Relevance of Organizational Sustainability in Technological Evolution in Consumer." The session shed light on the dynamic relationship between

technology and consumer behaviour, emphasizing the importance of organizational sustainability in adapting to these changes. This session aligned with United Nations Goal, SDG 4 Quality Education.

Koffee With CEO

"Koffee with CEO" is an innovative initiative by KASBIT, making it a pioneer in fostering direct, open dialogue between students and the KASBIT's leadership. This program provides a relaxed environment where students can sit down with the CEO over coffee, discuss their ideas, share concerns, and gain insights into the real-world challenges of business leadership. This initiative aligns closely with Sustainable Development Goal 4, which emphasizes quality education by promoting inclusive and equitable learning opportunities. Through these conversations, students develop critical thinking, gain mentorship, and bridge the gap between academic theory and practical application, thus enriching their educational experience. KASBIT's "Koffee with CEO" expresses a progressive approach to education, fostering a generation of informed, engaged, and motivated future leaders. Highlights of Koffee with CEO;

Koffee with CEO: Emerging Trends & Skills”

KASBIT's "Koffee with CEO" event took place on 14th Nov' 23 at SMCHS premises. We were honoured to have Mr. Mubashar Hameed, Founder & CEO of Caliber Vantage and former Rector & CEO of KSBL, join us on this occasion, adding immense value to the discussion on the “Emerging Trends & Skills” with the esteemed Prof. Dr. Kashif Mehmood, Rector/Director at KASBIT.

Expert Talks

"Expert Talks" is another milestone initiative by KASBIT that contributes to quality education. Through these sessions, KASBIT extends learning opportunities beyond its own students by inviting subject-matter experts national & international who offer insights into current challenges, best practices, and real-world scenarios. This initiative supports a broader educational mission, providing diverse perspectives and experiential knowledge to learners both within and outside the university.

Expert Talks: Relevance of Organizational Sustainability in Technological Evolution and Consumer

On Wednesday, 22nd November 2023, KASBIT hosted an open-for-all seminar at its SMCHS premises, featuring Mr. Ghazanfer Farooq, Regional Sales Manager at Beiersdorf, as the keynote speaker. This enlightening session, organized by [insert organizer name], focused on the topic "Evaluation of the Relevance of Sustainability in Technological Evolution and Consumer Behaviour."

Aligned with SDG 4: Quality Education, the seminar aimed to enhance participants' understanding of the intersection between sustainability, technological advancements, and evolving consumer behaviour. With over 15 years of experience in multinational corporations and

FMCG organizations, Mr. Farooq provided valuable insights into organizational behavior principles and their practical applications in the professional world.

Expert Talks: The Political Economy of the Digital Ecosystem

Join us for an engaging virtual session of the Expert Talk series by KASBIT, where Prof. Dr.

Manager Taxation at Muller & Phipps Pakistan (Private) Limited. Extensive experience in serving various National, Multinational, and CA firms.

Webinar Series: Empowering Minds through Quality Education

KASBIT arranged engaging Webinar Series designed to inspire and educate students from all backgrounds. Open to everyone, this series aligns with SDG 4: Quality Education, fostering lifelong learning opportunities and equitable access to knowledge. Through insightful sessions led by experienced professionals, students and other stakeholders get valuable insights into diverse topics aimed at enhancing your academic and personal growth. These Webinars are free for everyone and anyone can access those through our media links Together, let's embrace the power of education to create a brighter, more inclusive future for all. Some webinars details are mentioned below

Webinar: “Current Sales Trends and Strategies in the Pharmaceutical Industry”

KASBIT proudly hosted an enlightening webinar on 2nd November 2023 “Current Sales Trends and Strategies in the Pharmaceutical Industry.” The session featured Mr. Muhammad Ali Ashar Wajidi, Business Manager at SAMI Pharmaceuticals Pvt. Ltd., as the guest speaker, and was moderated by Mr. Khurram Nasarullah Khan, a distinguished faculty member at KASBIT.

Mr. Wajidi, a seasoned professional with extensive expertise in market planning, sales, product marketing, and market analysis, shared valuable insights with the participants. As a certified professional in Marketing Excellence from the IBA, he provided practical strategies for brand building, new product launches, and effective approaches to product development and execution.

The interactive session was a unique opportunity for students and attendees to understand the dynamic trends shaping the pharmaceutical industry and gain actionable knowledge to apply in their professional journeys.

Webinar on: “Cultivating Strong Financial Habits: A Deep Dive into the Core Principles of Financial Literacy”

KASBIT successfully organized a highly engaging webinar on the topic, “Cultivating Strong Financial Habits: A Deep Dive into the Core Principles of Financial Literacy,” featuring Mr. Farhaj Badar, Chief Financial Officer at Nelson Paints (Pvt) Ltd., as the keynote speaker. The session was expertly moderated by Mr. Syed Ali Raza Rizvi, Director ORIC at KASBIT.

During the webinar, Mr. Farhaj shared his extensive expertise, offering participants a comprehensive understanding of

financial literacy's core principles. He highlighted the importance of developing strong financial habits and demonstrated practical strategies to empower individuals to make informed decisions and take control of their financial future.

The interactive session provided valuable insights into managing personal and organizational finances effectively, resonating with both students and professionals in attendance. This event emphasized KASBIT’s commitment to delivering impactful educational experiences and fostering financial awareness among its community.

Webinar: “Kaggle and Data Science for Business Students”

KASBIT hosted an insightful and open-for-all webinar titled “Kaggle and Data Science for Business Students” on Wednesday August 23, 2023, featuring Mr. Adnan Zaidi, a Kaggle Grandmaster and CEO of Proxima AI, as the keynote speaker. The event was moderated by Prof. Dr. Shafiq-ur-Rehman Massan, Chairman of the CSIS Department at KASBIT.

The webinar aligned with SDG 4 Quality Education, the session aimed to empower students with the knowledge and tools needed to thrive in the rapidly evolving fields of technology and business. Mr. Zaidi shed light on the transformative role of data science for both computer science and business students, emphasizing its applications in modern industries.

Drawing from over a decade of experience in Computer Vision, R&D, and Operations Management, Mr. Zaidi provided participants with a deep dive into the fundamentals of data science, showcasing its practical applications through tools like Python and related libraries. As a PhD candidate specializing in AI and Deep Learning, he offered invaluable insights into the world of Kaggle competitions and their role in enhancing data science expertise.

The session underscored the growing importance of embracing technology to remain competitive in today’s fast-paced business environment. Participants left with a clearer understanding of how data science can be a driving force for innovation and success, making this webinar a significant step towards fostering quality education and lifelong learning opportunities.

Webinar: “Power of Branding”

KASBIT successfully organized an open-for-all webinar on the topic “Power of Branding” featuring Mr. Emaad Ishaque Khan, Executive Director at Synite Digital, as the keynote speaker. The event was moderated by Ms. Mahrukh Nadeem, a distinguished faculty member at KASBIT.

This webinar aligned with SDG 4: Quality Education, this session was designed to inspire and educate attendees on the transformative potential of branding in today’s competitive

world.

Drawing from his extensive experience, Mr. Khan provided valuable insights into the core principles and strategies of branding, emphasizing its role in building impactful businesses and personal identities.

The interactive session allowed participants to engage directly with Mr. Khan, gaining practical knowledge and actionable strategies to apply in their academic and professional pursuits. The event highlighted KASBIT’s ongoing commitment to fostering quality education, equipping students and professionals with essential skills for success in their respective fields.

Webinar: “The Power of Advertising: Reaching the Audience Where They Are”

KASBIT hosted an open-for-all webinar titled “The Power of Advertising: Reaching the Audience Where They Are”, featuring Mr. Syed Muhammad Bilal, Group Director Sales & Marketing at SUNO TV. With over 16 years of experience at GEO TV Network and 7 years as Director Sales & Marketing at NEO TV, Mr. Bilal brought a wealth of expertise to the session, offering valuable insights into the dynamic field of advertising, aligned with SDG 4: Quality Education, the session aimed to equip

students and professionals with the knowledge and tools to excel in the advertising industry. Mr. Bilal discussed the latest advertising trends, techniques, and strategies tailored to the Pakistani market, providing attendees with actionable knowledge on creating impactful campaigns that resonate with target audiences.

Participants also learned how to measure the success of their advertising efforts and adapt strategies to achieve greater impact. This interactive and engaging webinar provided a platform for aspiring advertisers, marketers, designers, social media professionals, and creative directors to enhance their understanding of advertising dynamics and campaign effectiveness.

The event reaffirmed KASBIT’s commitment to fostering inclusive learning opportunities, empowering individuals to succeed in their careers while contributing to a well-informed and educated society.

Webinar: “Professional Requirement of Communication Skills Competency”

On June 3, 2023, KASBIT, in collaboration with IBEX Learning Academy (ILA), successfully organized an open-for-all online training session titled “Professional Requirement of Communication Skills Competency.” The session featured Miss Zona Ejaz, an accomplished Executive Trainer at IBEX Global, as the keynote speaker.

Aligned with SDG 4: Quality Education, the webinar aimed to empower participants by emphasizing the critical role of communication

skills in achieving professional success. Miss Zona Ejaz shared her expert insights on the core competencies required for effective communication, providing participants with practical tools and techniques to refine their interpersonal and professional communication abilities.

The interactive session highlighted the importance of clear, confident, and impactful communication in navigating the challenges of the modern workplace. Attendees from diverse backgrounds were inspired to harness the power of communication to enhance their professional growth and leadership potential.

This initiative underscored KASBIT’s commitment to providing high-quality educational opportunities, fostering lifelong learning, and preparing individuals to thrive in competitive environments.

Webinar: “Digital Transformation: HR Leading the Frontline”

On June 3, 2023, the KASB Institute of Technology successfully organized an open-for-all webinar titled “Digital Transformation: HR Leading the Frontline.” The session was led by Miss Rizwana Mujeeb, Head of Human Resources at IFFCO Pakistan, who shared her expert insights and practical strategies for navigating the complexities of digital transformation, aligned with SDG 4: Quality Education, the webinar aimed to empower HR professionals and aspiring leaders with the knowledge and tools to drive organizational change in today’s ever-evolving digital landscape. Miss Rizwana emphasized the pivotal role HR plays in leading digital transformation efforts and highlighted strategies for building a future-ready workforce.

The session provided participants with actionable tips on fostering adaptability, leveraging technology, and empowering teams to embrace innovation. Through her expertise, Miss Rizwana inspired attendees to take the lead in aligning organizational goals with digital

Webinar: “Future of Work: 9R Model”

KASBIT successfully hosted an open-for-all webinar on the topic “Future of Work: 9R Model” featuring Mr. Jehanzeb Khan, Head of Human Resources at Byco Petroleum Pakistan (Pvt) Ltd., on April 15, 2023. This session provided a forward-looking perspective on the evolving dynamics of work, workforce, and workplace requirements in the future.

Aligned with SDG 4: Quality Education, the webinar was designed to equip participants with insights into navigating the changing landscape of professional environments. Mr. Khan, a seasoned HR professional, shared his expertise on the 9R Model, offering a comprehensive framework to address diversification in work processes, workforce demographics, and workplace structures.

The session highlighted strategies to adapt to global trends and foster resilience, innovation, and inclusivity in the workplace. Participants gained valuable knowledge about the tools and approaches required to prepare for the future of work, making it a compelling and enlightening experience for attendees from diverse professional backgrounds.

This initiative reaffirmed KASBIT’s commitment to providing high-quality educational opportunities and empowering individuals to excel in their professional pursuits while addressing the challenges of a rapidly changing world.

KASBIT International Research Conference 2023

KASBIT hosts the “7th KASBIT International Research Conference on Multidisciplinary Research (KICMR),” which invites both internal and external experts, as well as research scholars, free of cost. The most recent conference took place from Monday, February 13 2023, to Wednesday, February 15 2023, featuring presentations from seventy national and international researchers.

A key highlight of the conference was the Doctoral Colloquium, facilitated by esteemed trainers including Dr. Usman Ali Warraich, Dr. Asif Mansure, and Dr. Tehseen Jawaid. For the first time, KASBIT implemented a paperless initiative, introducing QR codes for accessing timelines, abstract books, and colloquium materials. This initiative reflects KASBIT’s commitment to supporting Sustainable Development Goals (SDGs), specifically SDG-4 (Quality Education), SDG-13 (Climate Action), and SDG-15 (Life on Land).

Opening Ceremony 7th KASBIT International Research Conference 2023

The KASBIT 7th International Research Conference opening day was filled with thought-

provoking ideas & research presented by the talented scholars, keynote speakers and academics including chief guest Dr. Sarosh Hashmat Lodi Vice Chancellor (NED University) our Guest of Honors Emeritus Prof Dr. AQ Mughal (Greenwich University), AVM (Retd) Usaid Ur Rehman Usmani SI(M), TI(M) President (PAF-KIET), Prof Dr. Muhammad Abuzar Wajidi Rector (Hands IDS),

Closing Ceremony | 7th Kasbit International Research Conference 2023

The KASBIT 7th International Research Conference 2023 was a remarkable success with gathering of scholars, academics & researchers from diverse disciplines and backgrounds. The presentations were inspiring and shed-light on the advancements and innovative ideas.

Prof. Dr. Kashif Mehmood Director (KASBIT) would like to extend a warm thank you to all the attendees, speakers, volunteers and sponsors for their contributions and for making this event a success.

Special thanks to our Keynote Speaker Mr. Nasir Ali Shah Bukhari Chairman (KASB Group), chief guest Prof. Dr. Huma Baqai Rector (MITE), our guests of honor Prof. Dr. Syed Irfan Hyder Vice Chancellor (Ziauddin University), Prof. Dr. Zubair Ahmed Shaikh President (M.A.J.U) and Prof. Dr. Manzoor Uz Zafar Dawood Vice Chancellor (Ilma University).

KASBIT International Conference on Sustainable Development Goals (KICSDG) 2023

The KASB Institute of Technology proudly hosted the KASBIT International Conference on Sustainable Development Goals (KICSDG) 2023 on May 24-25, 2023. The event successfully gathered

renowned scholars, experts, and practitioners from around the world, who shared their insights on the latest trends, innovations, and best practices in sustainable development.

Under the inspiring theme, "Exploring Pathways to Achieving the SDGs: Challenges and Opportunities," KICS DG 2023 delivered an enriching experience for all attendees. International keynote speakers from the USA, UK, and various other countries engaged participants in thought-provoking discussions, providing fresh perspectives and deepening knowledge on United Nations sustainable development.

Held at the esteemed KASBIT campus in SMCHS, Karachi, the conference featured captivating panel discussions and interactive training sessions that highlighted both the challenges and opportunities in achieving the SDGs. The event fostered meaningful connections among industry leaders, creating a collaborative space for continued learning and growth.
